Summary Description: The Associate Administrator – Fiscal Director is directly responsible for overseeing the operation of the fiscal department, facilities, and IT. The Fiscal Director plays a key role on the Chelan-Douglas Health District management team. This team works together to lead the Chelan-Douglas Health District and connect the different lines of effort to prevent disease, promote health, and protect the health and safety of people in our community. The Fiscal Director reports to the Chelan-Douglas Health District Administrator and Deputy Administrator and works to implement their leader’s intent. As a senior leader in the health district, the Fiscal Director will regularly brief the elected Board of Health and work with them to develop or evolve Fiscal and Operations policy across the health district. The Fiscal Director works closely with CDHD departments to support their operations, fiscal, logistics, facilities and IT needs.

The Fiscal Director manages the Health District’s fiscal programs and supports operations, which may include assessment of community needs, the development of long-term strategies and goals for the Health District, and the planning and implementation of environmental public health programs. The position monitors staff and program performance and provides effective supervision to the members of the team they lead. The Fiscal Director develops and monitors program budgets. Assures effective implementation of grant and contract deliverables and of the reporting required by funding sources. They also support facilities and IT in managing their workflows, contractors, and projects. May include grant writing and other fund raising activities.

The Fiscal Director will work effectively with external agencies and partners including the State Department of Health, Chelan and Douglas Counties, and others. They will operate with appreciable latitude for independent action and decisions commensurate with demonstrated ability and with Administrator’s consultation and direction.

To ensure the highest level of services are provided, additional duties and responsibilities may be assigned as needed.
